

Cambridge University Botanic Garden Visual Story

Welcome to the Botanic Garden.

Tickets can be purchased at the Gates upon arrival,
or [online](#) in advance.

There are two entrances: the Brookside Gate and the Station Road Gate.

The Brookside Gate:

This entrance is fitted with a low-level counter.

Please note that the entrance is beside Trumpington Road, which can be very busy and noisy.

Station Road Gate

Please note that the entrance is beside Hills Road, which can be very busy and noisy.

Currently, there is a temporary entrance, which looks different to the normal entrance.

There are temporary toilets

behind the Glasshouse Range.

This includes a temporary accessible toilet.

There is an accessible toilet inside the café.

Another accessible toilet is also situated near the Brookside Ticket Office.

If you get tired, there are benches around the garden.

We have The Garden Shop, located at the Brookside entrance where you can buy things to take home.

If you want to buy a drink or some food, you can visit the Garden café.
